Presentations and abstracts

* indicates presenter

Anidi L [alum]*, Curtis D. Effect of performing warm-up and cool-down exercises on the flexibility of the calf and hamstring prior to a 50 minute workout. Presented at: 143rd American Public Health Association Annual Meeting; October 31-November 4, 2015; Chicago, IL.

Bernstein J*, Koncey LT, Sheppard ME. Assessment and enhancement of a university worksite wellness program. Presented at: Texas Society for Public Health Education Conference; October 23, 2015; Austin, TX.

Presentations and abstracts, continued

**Dishman L***. Improving hospitals’ patient experience, revenue cycle management, and financial performance by utilizing an expanded Donabedian’s structure-process-outcome framework. Poster presented at: International Hospital Federation 39th World Hospital Congress; October 6-8, 2015; Chicago, IL.

**Gold J***, Tomar SL, Catalanotto F. Oral health needs of WIC children and women in North Central Florida. Presented at: 143rd American Public Health Association Annual Meeting; October 31-November 4, 2015; Chicago, IL.

Kinne BL [student]*, **Leafman JS**. Effectiveness of the Parnes particle repositioning maneuver for posterior canal benign paroxysmal positional vertigo. Poster presented at: Michigan Physical Therapy Association Fall Conference; October 16-17, 2015; Thompsonville, MI.

**Konecny LT***, Bernstein J, Sheppard ME. Online wellness resources for graduate-level students: self-directed or facilitated? Presented at: 143rd American Public Health Association Annual Meeting; October 31-November 4, 2015; Chicago, IL.

Landon C, Connell D*, Kristin M, Olsen L (additional presenter Crispin M*). My Healthy World: beta testing a school health e-curriculum for grades 3-6. Presented at: 143rd American Public Health Association Annual Meeting; October 31-November 4, 2015; Chicago, IL.

**Lewis JH**. Rankin J*. Medical informatics tools to promote community-oriented primary care: hands-on workshop. Presented at: American Osteopathic Association of Medical Informatics Society Conference; October 17-21, 2015; Orlando, FL.

**Loeben G***. Exploring the ethical underpinnings of healthcare workers’ refusal to participate: Ebola, the flu vaccine, and conscientious objection. Presented at: 17th Annual Meeting of the American Society for Bioethics and Humanities; October 22-25, 2015; Houston, TX.

**Makin IRS, Pedapati C, Heath DM***. Multi-sensor optical and ultrasound-based assessment of micro- and segmental flow changes in lower extremity following controlled physiologic provocations. Poster presented at: Fourth International Fascia Research Congress; September 18-20, 2015; Washington, DC.

McIsaac T*. Walking and driving: dual task and multi-limb control in Parkinson’s disease. Presented at: Arizona Parkinson’s Disease Research Summit; October 8, 2015; Phoenix, AZ.

Monsef E [student]*, Makin I, Reisbick M. Gaming and e-learning platforms for dental teaching. Presented at: American Association for Dental Research Arizona Chapter Fall Meeting; October 15, 2015; Glendale, AZ.

Napier S [alum]*, Mathieson K, Belden C, Cheek D. Where have all the new grads gone? How nurse leaders can attract newly graduated nurses to medical-surgical. Poster presented at: Nursing Management Congress 2015; October 13-17, 2015; Lake Buena Vista, FL.

Shanti SD*. Why mama must read and how to make it happen: eradicating female illiteracy within one generation. Presented at: Northwestern University Global Health Interdisciplinary Symposium; November 19-20, 2015; Chicago, IL.

Thethi I, Thomas K [student]*, Mallas-Serdynski L. Increased adherence to patient follow-up visits within 7 days in heart failure patients is associated with reduced readmission rates in Michigan and Wisconsin. Presented at: American Heart Association Scientific Sessions 2015; November 7-11, 2015; Orlando, FL.
Presentations and abstracts, continued

Valovich McLeod TC*. Concussion: prevention through education. Presented at: Sport Concussion Summit; September 24, 2015; Ann Arbor, MI.

Weatherford R [student]*, Iser J. Use of lean principles, practices, and methodologies to realign best practice initiatives: evidenced benefit from an internal Lean Certification program. Presented at: 2015 Lean Six Sigma Healthcare Symposium; October 23, 2015; North Charleston, SC.

Zegarra-Parodi R*, Pazdernik VK, Roustit M, Park PY [student], Degenhardt BF. Effects of pressure applied during standardized spinal mobilizations on peripheral skin blood flow: a randomized cross-over study. Presented at: International Conference on Research in Osteopathic Medicine; October 24, 2015; Ghent, Belgium.

Sorry we missed you last time

Kennedy A*. An intimate partner violence prevention program for healthcare students. Poster presented at: 20th International Summit and Training on Violence, Abuse, and Trauma; August 23-26, 2015; San Diego, CA.

Congratulations

Chase Taylor, a third-year student at the Arizona School of Dentistry & Oral Health, represented A.T. Still University at the 51st Annual Colgate Dental Students' Conference on Research in Gaithersburg, Md., from October 25-27. Only 50 students nationwide are chosen to participate in this prestigious conference that is designed to prepare dental students for a career in research.
