Presentations and abstracts

Allegro K [adjunct], Nall T [alum], Williams T [alum], **Lynskey J.** The effects of AlterG[®] treadmill training on locomotor function in an individual diagnosed with the Miller-Fisher variant of Guillain-Barré syndrome. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Amadeo P, Filali N, Bellini G, Cornali C, **Valovich McLeod TC, Welch Bacon CE.** Concussion knowledge among professional youth Italian soccer players. Poster presented at: 35th National Conference of the Italian Sports Medicine Federation; December 1-4, 2016; Rome, Italy.

Aragon A [student]. Brain injuries and helmets. Presented at: 8th Annual International Conference on the Health Risks of Youth; January 4-7, 2017; Cancun, Mexico.

Blaisdell A [student], **Olsen LK, Allen D.** Characteristics of human sexuality educators in Vermont high schools. Presented at: 8th Annual International Conference on the Health Risks of Youth; January 4-7, 2017; Cancun, Mexico.

Bordenave L, Tovin M, Blackinton M, Canbek J. Leadership in the American Physical Therapy Association: the experience of early career physical therapy professionals. Presented at: 1st Annual Kay Shepard Qualitative Research Symposium, American Physical Therapy Association Combined Sections Meeting 2017; February 17, 2017; San Antonio, TX.

Breitenbach E. A self-plagiarism intervention for doctoral students: a qualitative pilot study. Presented at: Lilly Conference on Evidence-Based Teaching and Learning; January 5-7, 2017; Austin, TX.

Dishman L. Does size matter? A quantitative study of patient experience self-reported by U.S. for-profit, non-profit, and governmental hospitals from 2009 to 2012. *Mich Acad.* 2016;44(2):161.

Ebel DL [fellow], Torkilsen CG [student], **Ostrowski TD.** Blunted respiratory responses in the STZ-induced rat model of Alzheimer's disease. Poster presented at: 24th Annual Cardiovascular Day; February 21, 2017; Columbia, MO.

Fay D, Cardenas S [alum], Koivuniemi-Berg T [alum], Werkau S [alum]. Effects of a Bal-A-Vis-X intervention on coordination and balance in typically developing school-aged children. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Fick J. Using team based simulations to introduce organizational change management theory and practice to business students. Presented at: Lilly Conference on Evidence-Based Teaching and Learning; January 5-7, 2017; Austin, TX.

Presentations and abstracts, continued

Goldstein LB. Improving dental and whole person healthcare through IPE. Presented at: 19th American Dental Congress; December 8-10, 2016; Phoenix, AZ.

Goldstein LB. Utilizing acupuncture and osteopathic manipulation in the treatment of TMDs. Presented at: 19th American Dental Congress; December 8-10, 2016; Phoenix, AZ.

Halupa C. Transformative learning in the world of technology: how ready are you to maximize your students' potential? Virtual presentation at: Harold D. Buckingham Conference for Scholarship and Excellence; December 9, 2016.

Hankemeier DA, Cavalario JM, **Welch Bacon CE.** Educating students to function as health care providers in the current medical landscape. Presented at: Athletic Training Educators' Conference 2017; February 17-19, 2017; Grapevine, TX.

Hohenbery T [student], **Ramaraj P.** In-vitro anti-cancer actions of androgens (androstenedione and testosterone) based on human melanoma rescued and recovered cell growth, adhesion and migration functions. Poster presented at: Cell Biology 2016 American Society for Cell Biology Annual Meeting; December 3-7, 2016; San Francisco, CA. Abstract published in: Mol Biol Cell. 2016;27(25):3947, P1112.

Huxel Bliven KC, Makin I, Hutman R. Using ultrasound imaging to enhance education of clinical musculoskeletal anatomy and examination skills in professional and post-professional athletic training students. Presented at: Athletic Training Educators' Conference 2017; February 17-19, 2017; Grapevine, TX.

Imundi J. Diabetes prevention for Native Hawaiian women: a case series design. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Klawonn A, Kernan D, Lynskey J. The impact of a 5 week seminar on biopsychosocial model of self-care on perceived levels of anxiety, depression, self-compassion, stress and mindfulness in graduate healthcare students. Presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Konecny L. Cannabis vaping among teens: an emerging risk. Presented at: 8th Annual International Conference on the Health Risks of Youth; January 4-7, 2017; Cancun, Mexico.

Kuettel J, Sherlock C. The feasibility of tracking strength gains using the supine hip extension test in a neurologic population. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

LaRue A [student]. Community forums for engagement and prevention in response to the opioid epidemic. Presented at: 8th Annual International Conference on the Health Risks of Youth; January 4-7, 2017; Cancun, Mexico.

Lynskey J, Molzen E, Chayrez S [alum], Christakos K [alum], Cohee D [alum], Cortez D [alum], Dowling W [alum], Lucas K [alum], Samel E [alum], Winters WM [alum], Bay C, Glaister B. Vibrotactile feedback improves locomotor function in lower extremity amputees. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Presentations and abstracts, continued

Maher SF, Schuknecht S [adjunct], Mortensen S, Weiss SR, Sergison C, Doherty DJ. Traditional versus non-traditional anatomy instruction among physical therapy students: a comparative study. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Makin IRS, Pedapati C, Parikh V [student], Levine R, Shlossman M. Output characterization of clinically applied diode laser systems for management of chronic periodontal disease. Poster presented at: Arizona Chapter of the American Association for Dental Research Scientific Symposium; January 21, 2017; Mesa, AZ.

Manton C, Dixon S, Jacobsen A, Joehl T, Kibler K, Bliven K. The effect of a novel stretch on posterior shoulder tightness. Presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Manton C, Erbe B [student], Iyo JS [student], Randau K [student], Street L [student]. The association of the Functional Movement Screen™ and single leg hop tests with musculoskeletal injury in firefighter recruits. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Olsen L, Peña De La Cruz A, Peña De La Cruz G. Cell telephone use: today's new addiction for Mexican high school youth? Presented at: 8th Annual International Conference on the Health Risks of Youth; January 4-7, 2017; Cancun, Mexico.

Park JH. An evaluation of ABO certification protocols in postgraduate orthodontic programs in the United States and Canada. Presented at: Arizona Chapter of the American Association for Dental Research Scientific Symposium; January 21, 2017; Mesa, AZ.

Queen T [student]. Protecting LGBTQ youth from cyberbullying through health interventions. Presented at: 8th Annual International Conference on the Health Risks of Youth; January 4-7, 2017; Cancun, Mexico.

Roush JR. Estimations of lateral patella forces from derived quadriceps forces during three speeds of walking and two speeds of running/jogging. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Roush JR, Curtis TJ, Bay C, Case RJ, Packard BJ, Whipple RL, James P. The internal consistency of a modified version of the Lower Extremity Functional Scale for patients receiving a total joint arthroplasty. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Roush JR, Funk D [alum], Hunke E [alum], Farris JW. The effectiveness of ACL prevention programs in reducing the incidence of ACL injuries: a systematic review using NNT, odds ratios, and z statistics. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Spence JC [alum], **Fay D.** The inclusion and progression of two athletes with disabilities in high school sports: a case study. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Presentations and abstracts, continued

Studer M, Wheten B, **McIsaac TL**, Muratori LM. Applying the dual task taxonomy: cognitive, auditory, visual, and manual modes. Presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX. Abstract published in: *J Neurol Phys Ther*. 2017;41(1):70-72.

Valovich McLeod TC, Register-Mihalik JK, Kasamatsu TM, Johnson RS, **Welch Bacon CE**. Knowledge perception and confidence regarding sport-related concussion among school personnel. Presented at: Pediatric Research in Sports Medicine Society 2017 Annual Meeting; January 26-28, 2017; Dallas, TX.

Walters S, Thompson M. Beyond incredible—the power of Paralympic sport: a pilot ethnographic study. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.

Welch Bacon CE. Using outcomes for educational research. Presented at: Athletic Training Educators' Conference 2017; February 17-19, 2017; Grapevine, TX.

Welch Bacon CE, Hankemeier DA, Van Lunen BL. The comparison of educators', preceptors', and professional athletic training students' perceptions of student preparation within the six healthcare competency areas. Poster presented at: Athletic Training Educators' Conference 2017; February 17-19, 2017; Grapevine, TX.

Welch Bacon CE, Mace KL. The future of health care education: considerations for the competency-based education model in athletic training. Presented at: Athletic Training Educators' Conference 2017; February 17-19, 2017; Grapevine, TX.

Wilkinson T, Rone-Adams S, **Burch A**, Rosenthal R. Developing interest in rural physical therapy practice through clinical and community service experiences. Poster presented at: American Physical Therapy Association Combined Sections Meeting 2017; February 15-18, 2017; San Antonio, TX.
